National Health Plan Sponsors

Aetna is one of the nation's leading diversified health care benefits companies, serving approximately 29.8 million people with information and resources to help them make better informed decisions about their health care. Aetna offers a broad range of traditional and consumer-directed health insurance products and related services, including medical, pharmacy, dental, behavioral health, group life and disability plans, and medical management capabilities. Our customers include employer groups, individuals, college students, part-time and hourly workers, health plans and government-sponsored plans. www.aetna.com.

WellPoint's mission is to improve the lives of the people it serves and the health of its communities. WellPoint, Inc. is the largest health benefits company in terms of commercial membership in the United States. Through its nationwide networks, the company delivers a number of leading health benefit solutions through a broad portfolio of integrated health care plans and related services, along with a wide range of specialty products such as life and disability insurance benefits, pharmacy benefit management, dental, vision, behavioral health benefit services, as well as long term care insurance and flexible spending accounts. Headquartered in Indianapolis, Indiana, WellPoint is an independent licensee of the Blue Cross and Blue Shield Association and serves its members as the Blue Cross licensee for California; the Blue Cross and Blue Shield licensee for Colorado, Connecticut, Georgia, Indiana, Kentucky, Maine, Missouri (excluding 30 counties in the Kansas City area), Nevada, New Hampshire, New York (as Blue Cross Blue Shield in 10 New York City metropolitan and surrounding counties and as Blue Cross or Blue Cross Blue Shield in selected upstate counties only), Ohio, Virginia (excluding the Northern Virginia suburbs of Washington, D.C.), Wisconsin; and through UniCare. Additional information about WellPoint is available at www.wellpoint.com.

Connectivity Partner

SureScripts®, the largest network provider of electronic prescribing services, is committed to building relationships within the health care community and working collaboratively with key industry stakeholders and organizations to improve the safety, efficiency and quality of health care by improving the overall prescribing process. At the core of this improvement effort is the SureScripts Electronic Prescribing Network™, a health care infrastructure which establishes electronic communications between pharmacists and physicians and enables the two-way electronic exchange of prescription information. Today, more than 90 percent of all pharmacies in the United States are certified on the SureScripts network. More information about SureScripts is available at www.surescripts.com.

Search Partner

Google's innovative search technologies connect millions of people around the world with information every day. Founded in 1998 by Stanford Ph.D. students Larry Page and Sergey Brin, Google today is a top web property in all major global markets. Google's targeted advertising program provides businesses of all sizes with measurable results, while enhancing the overall web experience for users. Google is headquartered in Silicon Valley with offices throughout the Americas, Europe and Asia. For more information, visit www.google.com.
